EMPLOYMENT

www.extrapole.eu

September 2016 — Present

Project coordinator for NOW , Creative Europe project at Extrapole

NOW is a international cooperation project funded by Creative Europe program. It is an experimental project whose aim is to build the groundwork for a transnational competency cluster. Within the project i follow up the commission of the project **Rope by Ief Spincemaille** and co-curated the project **Half a House at Fabbrica Europa Festival 2017**

www.teatrostabile.umbria.it

February 2015 — Present

Producer at TEATRO STABILE DELL'UMBRIA

Teatro Stabile dell'Umbria is a foundation that manages a network of 16 theaters in Umbria facilitating the diffusion and touring of national and international performing arts tendencies. As creative producer i support the research process of young artists through dramaturgical support, critical advices, management of administrative issues as well as arranging encounters with professionals

www.caos.museum

May 2008 — Present

Curator and project manager at INDISCIPLINARTE SRL/CAOS CENTRO ARTI

Indisciplinarte is a young company based in Italy and internationally active in contemporary arts production and events, cultural projects and local development. Since 2009 it runs CAOS a brand new cultural centre settled in a former factory now turned into a 6000 square meters venue for creativity and arts.

At CAOS i support the strategical planning, design the annual program, Manage artistic residencies, coordinated exhibitions, assisted and developed international cooperation projects, and developed audience development program. Recently i also support the creation of an internal fab lab investing in the connection of artists and makers to support the development of an art/digital technology department

www.ternifestival.it
August 2006 — Present

Co-curator and producer at TERNIFESTIVAL

TERNIFESTIVAL international festival of contemporary creation is a festival annually held in Terni in the second half of September. More than a showcase, Ternifestival is a creative arena focus on contemporary interdisciplinary arts and site specific projects aimed to cross the boundaries between genres and involved actively the people and the city.

As co curator i shape the conceptual framework, create the artistic program and the event setting, commission new ideas , develop site specific projects and community works.

Within the festival framweork, since 2016 i am co-curating the project **Foresta, a village of artists living on tree houses in the city to reflect and activate regeneration processes together with the community**
